

Service Portfolio – Digital Invoicing with PRAL

Introduction

We provide **PRAL (Pakistan Revenue Automation Limited) digital invoicing solutions** to help businesses comply with **FBR e-invoicing regulations**. Our services ensure smooth integration, real-time invoice reporting, and complete compliance with Pakistan's tax framework.

Our Services

1. PRAL Digital Invoicing Setup

✓ Complete registration and integration with PRAL & FBR systems.

2. API & ERP Integration

✓ Seamless connectivity with POS, ERP, and accounting software.

3. Real-Time Invoice Reporting

✓ Automatic submission of invoices to PRAL/FBR.

4. Secure Data Transmission

✓ Encrypted, reliable, and compliant invoice transfer.

5. Validation & Error Handling

✓ Automated error detection before submission.

6. Training & Support

✓ Staff training and 24/7 technical support.
